

Maths

This term is going to be a busy one in Maths, we will be focusing on a range of topics including: decimals, percentages, algebra, measurement, area, perimeter and volume, and ratio. These topics will be studying with reasoning and problem solving throughout.

Science

The themes for this term will be 'Living things and their habitats' and 'Evolution and inheritance'. We will start by learning how living things are classified and understanding how things are given their latin names. In the second half term, we will focus on the work of Charles Darwin and his theories of adaptation by looking at his case study of 'Darwin's Finches'

English

In English, we are will be continuing with our Talk for Writing approach. The children made a great start last term so we are looking forwards to continuing with a 'warning tale', a discussion text, a persuasive text and poetry. The children will be focusing on specific grammar and punctuation to enhance their composition.

PE

We will be focusing on Netball this term. Communication and working as a team will be

Spring 2018

Redwood Class: Year

Inquiry

The focus of the first half term will be 'Brilliant Britain' where we will be learning about post-war Britain. This will include rebuilding Britain after the Blitz, the formation of the NHS and the Windrush. In the second half term, we will be focusing on the Physical Geography of Britain including looking at rivers, waterfalls, mountains and coasts.

PSHE

We will be continuing with our Jigsaw scheme again this year looking at the themes of 'Dreams and Goals' and 'Healthy Me'

French

we will be learning how to talk all about ourselves in French this term.
